

Chengdu, China on September 21-23, 2019

ICSGT is a workshop of The 4th International Conference on Power and Renewable Energy (ICPRE 2019)

PUBLICATION

Submitted papers will be peer-reviewed and the accepted ones after proper registration and presentation will be collected in the conference proceedings of ICPRE 2019 published by IEEE, and reviewed to be included in **IEEE Xplore**, and then submitted for indexing in **Ei Compendex**, and **Scopus**, etc major databases.

TOPICS

1. Distributed Energy Resources: Renewable Generation, Electric Vehicles and Storage
2. Microgrids and Virtual Power Plant
3. Power Electronics and grid interface
4. Energy and Distribution Management Systems
5. Monitoring, Protection and Control in Energy Systems
6. Smart grid technologies for power generation, transmission, distribution, energy conversion and storage
7. Transmission system technologies, HVDC and FACTS
8. Distribution system and substation automation
10. Information and communication technologies for smart grids, interoperability and cyber-security
11. System integration of distributed energy resources, islanding and microgrids, hosting capacity
12. Planning and management of smart grid assets
13. Electric vehicle technologies and interactions with the grid
14. Power electronics, control and protection systems for smart grid applications
15. Uncertainty management in smart grid planning, forecasting and operation
16. Smart grid impacts on electricity markets, pricing and incentive/penalty schemes
17. Smart multi-energy infrastructures and the environment
18. Monitoring and control of power quality in smart grids

COMMITTEES

Conference Chair

Prof. Huang Qi, University of Electronic Science and Technology of China, China

Program Chairs

Prof. Mohan Kolhe, University of Agder, Norway
Prof. Fanhong Kong, Tongji University, China
Assoc. Prof. Liwen Luo, Shanghai Jiao Tong University, China
Prof. Wei Yu, Shanghai Polytechnic University, China

Local Chair

Assoc. Prof. Yang Han, University of Electronic Science and Technology of China, China

Publicity Chairs

Prof. Mohan Kolhe, University of Agder, Norway
Assoc. Prof. Dr. Brahim Aïssa, Université du Québec, Canada

Technical Program Committee

Prof. Dragica Vasilevska, Arizona State University, USA
Prof. Christos Mademlis, Aristotle University of Thessaloniki, Greece

KEYNOTE/ INVITED SPEAKERS

Prof. Z.Y. (Joe) Dong, IEEE Fellow
University of New South Wales, Australia

Prof. Udaya K. Madawala, IEEE Fellow
The University of Auckland, New Zealand

Prof. Dr. Mohan Kolhe,
University of Agder, Norway

Prof. Dr. Liwen Luo,
Shanghai Jiao Tong University, China

SUBMISSION METHODS

1. Please log in the Electronic Submission System and upload your paper
(<http://confsys.iconf.org/submission/icsgt2019>)
2. You can also send your paper directly to icsgt@young.ac.cn
